# BIOGRAPHY

Né en 1987, il étudie le commerce international en France, en Chine et à Taïwan, puis travaille pour de grands groupes en Hollande et en Angleterre. Passionné d'art et d'histoire qu'il apprend en autodidacte, il dessine depuis son plus jeune âge et étudie par la suite l'architecture d'intérieur, dont il obtient le titre reconnu au Conseil Français d'Architecture d'Intérieur (CFAI). En 2019, il fonde son propre cabinet d'architecture d'intérieur et de design de mobilier. Il accompagne en outre la création du collectif d'artisans d'art Rhizome avec qui il entreprend la création d'une collection de mobilier d'exception.

Sébastien Coudert-Maugendre, architecte d'intérieur et designer basé à Paris, établit un dialogue entre design, architecture, matériaux et artisanats dans les espaces et objets qu'il crée. Passionné d'art et d'histoire, son travail interroge notre rapport au temps, mêlant techniques et sensibilités anciennes et modernes dans son propre vocabulaire de design contemporain.

---

Born in 1987, he studied international business in France, China and Taiwan, and worked for large companies in the Netherlands and the UK. Passionate about art and history, which he learned as an autodidact, he drew from an early age and then studied interior architecture, from which he obtained the title recognized by the French Council of Interior Architecture ( CFAI). In 2019, he founded his own interior architecture and furniture design studio. He also supported the creation craftsmen collective Rhizome, with whom he undertook the creation of a collection of exceptional furnitures.

Sébastien Coudert-Maugendre, interior architect and designer based in Paris, establishes a dialogue between design, architecture, materials and craftsmanship in the spaces and objects he creates. Passionate about art and history, his work questions our relationship to time by blending ancient and modern techniques and sensibilities with his own contemporary design vocabulary.
