# BIOGRAPHY

*"A piece of furniture is a testament to our sensitivity".*

Florent Grisot is a passionate craftsman that has pushed the discipline to its most noble level especially about cabinetmaking. He therefore has to be seen as an Artist with a bright future.

He is a never-ending worker that sees opportunity in complex problem solving; problems which moreover push him towards excellency. He therefore cultivates them to keep aiming higher.

For him, a piece of furniture is an object of art, a witness of one's sensitivity as well as a heritage.

*"My professional career has been enriched by numerous technical and human experiences, meetings and trips. After several years of sketching and researching my style, I now devote myself fully to making objects that reflect one's personality and aspirations.*

*With my workshop, I dedicate my time, my skills and my materials to create the furnitures and the interiors of you dream. Working with decorators, architects, designers and even directly with customers through a gallery generate challenges that makes me evolve every day".*

I constantly question the techniques in order to go further, surpass myself and give life to all ideas.

## ADDITIONAL INFORMATION

### CUSTOMIZABLE [✓]

Can be made in different sizes and/or materials despite its singularity.

In some cases, can also be used as a model to create a different work.

Tailor-made is our mindset, in addition to the different works and materials we present in our catalogues, we develop various projects and 3Ds in preparation for our development.

[Contact us](#) of a tailor-made project.

### CUSTOMIZABLE [X]

As it stands, this work is a spontaneous creation, the result of the inspiration and know-how of the artist.

It is either a unique piece or a limited edition.

Although this is not initially planned, the creation of a personalized and or tailor-made version of this work requires prior study.

[Contact us](#) for further information.

## SIZES & WEIGHTS

By default, in French, dimensions and weight are expressed in centimeters (cm) and kilograms (kg.)

By default, in English, dimensions and weights are expressed in inches (") and pounds (lb.)
